A large crowd visited at the Oak Grove resort Sunday. Mr. Koerner, the popular proprietor, has had to turn guests away as his place is filled to overflowing.

Blair Hart, our popular Supervisor, was in town Monday shaking hands with everybody. Mr. Hart is popular with all classes of people here and everybody was glad to see him.

Jack Sullivan, a well-known shoe drummer of the metropolis, was in town Tuesday. He is the oldest shoe man on the road and has a host of friends here who are always glad to see him.

Harry Baines returned the fore part of the week from Fort Bragg, where he had a party of joy riders from this place on a sight-seeing journey. Harry used his large touring car and reports a good trip.

Billy Block left for San Francisco Saturday over the Southern Pacific. Billy was some classy boy when he boarded the train here, and with his peg top pants, dinky cap and square cut coat, looked like an English landlord fresh from merry old England.

The baseball game between Sonoma and El Verano last Sunday resulted in a victory for the visiting team after nine hard innings of good ball played on both sides. This game attracted a larger number of fans than any previous one. The local pitcher, Carl Weaver, was taken sick the latter part of the week and a hurried call was sent to San Francisco for a substitute. This twirler was far from being good, and if our regular pitcher had been in the box Sonoma would surely have been defeated.

The Bachelor Club "is now a thing of the past." Harry Stone, the organizer, has fell for Dan Cupid. Pretty Lena Lefkovich of Ocean View, San Francisco, has at last slipped one over on Harry, and he has resolved to sever his connection with the famous club. A farewell supper will be given by Harry to his many friends before he steps out of the ranks of bachelordom. The wedding bells will soon ring, and the newly-weds will spend their honeymoon here. We wish him, good luck, happiness and prosperity.

Last Sunday while Adolph Chevalier was driving around the valley with a companion in his new rubber-tired rig he met with quite a mishap near Verano station. Mr. Chevalier who tips the beam at 250 pounds, made a quick turn in the road and the side of the rig that he was sitting on became overbalanced and the buggy, Mr. Chevalier and companion were turned over. The horse broke loose from the vehicle and made tracks for home. The rig was damaged and Mr. Chevalier badly scratched.

Mrs. L. E. Grimm visited in San Francisco last Saturday.

Dr. Nufer of Petaluma was in town the latter part of last week.

W. H. Hughes transacted business in San Francisco last Saturday.

Jim Baines is transacting business in San Francisco and Oakland this week.

Mrs. A. Entlemann was a Southern Pacific passenger for Tracy Saturday morning.

L. Manry, wife and daughter, have returned from Texas and will make their future home here.

Miss Sarah Baines, accompanied by Miss Nettie Kirkland, visited in the city the fore part of the week.

A couple of girls from Parente's Villa had a delightful automobile ride to Napa. They did not walk back.

Jimmie Sterling passed through town Monday from Santa Rosa in a racing cart, having taken in the races at that place.

Easy Jim, Vineburg's popular reporter, was in town Saturday, the guest of that beautiful lady reporter, Belle Brandon.

Fitz Kiser of Sonoma was in town Sunday and while here took in the baseball game between Sonoma and El Verano.

The Holland-Weeks contest, which was fought in Oakland July 17th, resulted in a draw. A return match is scheduled.

Frank A. Riser left for Guinda Saturday morning. Frank took his rifle along and will do some deer hunting while at that place.

Former Judge Carroll Cook and wife passed through here last Saturday from San Francisco en route to their beautiful home above Glen Ellen.

Clarence Lea, our popular District Attorney, passed through here Saturday morning en route to Schellville, where he has a large walnut ranch.

The Strom sisters are preparing for another show at Parente's. Rose Strom will sing her own song entitled, "Why Does Nobody Love Me." Their costumes are a sight.

Billy Carr has returned from the city where he stayed for a couple of days. He says that everything is still in the same places. He has brought a few new songs with him.

Captain Roberts new band had its first practice last Friday evening. A large number of our young folks have joined the band which promises to be one of the big things this season.

Bill Kyne, the premier fight promoter, is one of the guests of Parente's Villa. He is negotiating for a match between Charlie Miller and Luther McCarthy. He has been in the valley for over a week and is having a great time.

Roy Burgoyne has just returned from the city, where he spent a few days and a few dollars. He is looking a few pounds lighter. Roy is a prominent business man in San Francisco and has cards to show. His specialty is high grade bullets.

H. H. Hollar, the Concord tailor, has opened a shop here and is renting out suits. Our sports and resort chaps are patronizing this new tailoring establishment and a new outfit can be seen on the chaps almost any evening. There is certainly some class to Mr. Hollar's outfits, and the girls all wonder how the young sports dress so swell.

BEAUTIFUL HOME OF MR. AND MRS. CARL DRESEL NOW REDUCED TO A PILE OF ASHES.

DRESEL RESIDENCE BURNED TO GROUND

The Beautiful Home Caught Fire Friday Afternoon of Last Week and was Soon a Mass of Smouldering Embers

The beautiful home of Mr. and Mrs. Carl Dresel was discovered to be on fire about 4 o'clock on Friday afternoon of last week after the Index-Tribune had gone to press and in an incredibly short time was enveloped in a mass of fiery flames. So rapid was the headway made by the flames, which were fanned by a high wind, that only a few of the personal effects of the family were saved.

The residence was built eighteen years ago and occupied a commanding site on a knoll on Rhinefarm, being surrounded on all sides by magnificent vineyards, and its destruction obliterates one of the finest homes in Sonoma Valley. There was no insurance on the property and Mr. Dresel's loss will approximate $20,000.

The flames from the burning residence were wafted toward the mountains and canyons to the east of the vineyards and started a forest fire which was successfully combatted by volunteer fire fighters after an all night's combat with the fire fiend.

For a time while the fire was at its height the Dresel wine cellars and those of the Gundlach-Bundschu Wine Company were seriously menaced but were saved by the heroic efforts of the two or three hundred volunteers who had come from all sections of the valley to assist in saving property. Mr. and Mrs. Dresel have the sympathy of a host of friends in the loss of their beautiful home and its many keepsakes.

The cause of the fire is unknown but is supposed to have been caused by a defective chimney which may have been cracked by the big earthquake of 1906.

Ben Pinder Badly Burned With Gasoline

B. F. Pinder, a well-known resident of this valley, met with a painful accident last Sunday afternoon. While watching an employee of the Old Mission Garage repair a motorcycle the carburetor exploded, scattering a quantity of flaming gasoline on the left side of his face and head, severely burning him and almost singeing all the hair off his head. Dr. Thomson, who treated the burns, does not consider them dangerous, although they will confine the patient to his home for some time.

Supervisorial Candidates

So far there are three candidates in the field for Supervisor of the First District—two Democrats and one Republican. Each has filed his petition with the County Clerk and their names will appear on the ballot at the primary election on September 3d. These candidates are as follows:

Blair Hart of Lakeville, incumbert, who seeks the Democratic nomination, and whose friends have insisted on his running for the office for another term.

J. M. Allison of Agua Caliente, also seeks a place on the Democratic ticket. He is hustling around pretty lively and the contest between these two promises to be a spirited one.

So far only one lone Republican, J. D. Ellis of Elmore, is seeking Supervisorial preferment, although others are being talked about. Mr. Ellis was in town Tuesday making the acquaintance of our people. He is an old resident of Vallejo Township and as the district is strongly Republican ought to be able to win out should he get the nomination and succeed in getting the two factions—the Progressive and the Conservatives—together before election day.

Thrown From Cart and Knocked Unconscious

On Friday afternoon of last week the ten-year old daughter of Dr. and Mrs. Matson of San Francisco, who have a country home on the Hyde tract, was thrown from a cart when the horse ran away and rendered unconscious. The accident took place near Vineburg and was witnessed by J. H. Murray, the village blacksmith, who was driving behind the runaway. He immediately went to the assistance of the little girl who was lying unconscious in the middle of the road as was the hired man who was driving the horse and cart. Both, although badly shaken up and stunned, were soon revived and Dr. Hays was sent for and attended to their hurts which were not serious.

Runaway Accident at Schellville

Mr. and Mrs Stornier of the Robert Hall ranch and three other occupants of a double-seated surry, two women and a little girl, had a thrilling escape from being seriously injured in a runaway accident near Schellville station on Friday afternoon of last week. As they neared the station, the horse which Mr. Stornier was driving became frightened at a box-car standing on one of side tracks and, being a mettlesome animal, commenced to rear and plunge, cramping the vehicle and upsetting it. All the occupants were thrown out and landed in a promiscuous heap alongside the road but miraculously escaped being maimed or killed, although every one of them received cuts and bruises and were badly shaken up. It was not until Dr. Leix, who had been sent for, had examined the injured that the extent of the hurts each of the party had received could be determined. The doctor's examination, however, revealed the fact that all had escaped with abrasions, wrenches and other minor injuries.

F. Clewe has accepted the agency for the celebrated Golden Pheasant Candy. A fresh supply is received every week. Try it. *

Man Chops Finger Off.

A. Sinsabaugh, an employee on the A. W. Foster ranch near Sears' Point, while using a sharp hatchet on Saturday afternoon last accidentally chopped the little finger of the left hand, almost severing it. Dr. Leix was phoned to go the ranch and attend to the injured finger and completed the amputation as it was held together by a mere thread of flesh.

The public installation of the newly-elected officers of Sonoma Parlor No. 111, N. S. G. W., in Union Hall last Saturday evening was largely attended. The installation ceremonial was followed by dancing and refreshments, the young members doing themselves proud as entertainers. Sonoma Parlor is one of the strongest civic bodies in our midst and numbers among its members the flower of the youth of Sonoma Valley.

Chas. La Torres entertained his father and brother at his home here last Thursday.

Mrs. P. Monahan was here from Glen Ellen last Thursday on a shopping expedition.

Every resort in the valley is crowded with guests, for the most part women and children.

Mr. and Mrs. W. L. Murphy of Alameda attended the Boyes farewell reception Wednesday evening.

It is said that J. H. Weise of Glen Ellen will seek the Republican nomination for Supervisor of this district.

Supervisor Blair Hart, who is out for the Democratic nomination for re-election, was in town Thursday. He has a strong following in this valley as well as in Vallejo Township.

Chas. Ruffner, who was suddenly afflicted with temporary blindness of both eyes, one day last week, which threatened to become permanent, is slowly but surely recovering his sight. He is being treated by Dr. Leix.

P. Basaglia is preparing to commence work on stone-curbing and cement sidewalking Napa street between First and Second-street East. When completed the improvement will add much to the appearance of that thoroughfare and enhance the value of the propety affected, and that is why the property-owners will cheerfully stand the expense.

Charles LaTorres' Mother Passes Away

Mrs. Providence LaTorres, mother of Chas. LaTorres of this place, died at her home in San Francisco last Monday, at the age of 66 years. The deceased is survived by a husband and six grown children. The funeral took place Wednesday, the interment being private.

WOMEN TAKE NOTICE!

A man cannot understand the torture and suffering many women endure uncomplainingly. If the majority of men suffered as much pain and endured with patience the weakening sicknesses that most women do, they would ask for immediate sympathy and look for a quick cure.

Many women have been saved from a life of misery and suffering by turning to the right remedy—Dr. Pierce's Favorite Prescription—a remedy which is safe to take because containing no narcotics, alcohol or injurious ingredients. It is an alterative extract of roots, made with pure glycerin, and first given to the public by that famous specialist in the diseases of women—Dr. R. V. Pierce, of the Invalids' Hotel and Surgical Institute of Buffalo, N. Y.

MRS. HESSHEIMER.

MRS. LIZZIE M. HESSHEIMER, of Lincoln, Neb., 529 "C" St., says: "I send a testimonial with much pleasure so that some suffering woman may know the true worth of your remedies. I was a great sufferer from female troubles but after taking one bottle of Dr. Pierce's Favorite Prescription, which a friend advised me to take, I found myself very much improved. After taking three more bottles, and using two boxes of Dr. Pierce's Lotion Tablets, I found myself on the road to recovery. I was in poor health for five years but now I am cured.

"I hope all women suffering from female weakness will give Dr. Pierce's Favorite Prescription a fair trial.

Doctor Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules.

WAS IT SUICIDE OR FOUL MURDER?

The Body of John Smith, a Game Keeper Near Sears' Point, is Found With Bullet Wounds in Head.

The body of John Smith, an aged gamekeeper living in a boat house near Sears Point, was found in a near-by slough last Sunday. Smith had two bullet wounds in his head and the body was discovered half submerged in the slough. The man had been dead at least a week and the real cause of his death will probably never be solved. Smith may have committed suicide, but the murder theory is the most plausible, as attached to the feet of the deceased when dragged from the slough was found a bucket of sand which had been used to sink the body from sight. It seems improbable that the man could have shot himself first and then jumped into the water after attaching the weight to his feet. In the opinion of many the old man was assassinated by parties whom he had ordered off the hunting preserves and with whom he became engaged in an altercation.

The deceased was well-known to sportsmen who hunted in the vicinity of Sears Point as he had lived there twelve years.

VINEBURG NEWS ITEMS

"Easy Jim" Tells in an Interesting Way all About the Week's Happenings in and About His Section of the Valley.

Large quantities of fruit is being shipped from this point at the present time.

Frank Kennedy returned from San Jose Monday and will remain in Vineburg for some time to come.

Harry Kizer, our local merchant, visited in San Rafael Sunday and reports a pleasant time in that city.

Miss May Bosch has returned home after a week's visit with her sister, Mrs. Morris Levy of Glen Ellen.

August Figone, proprietor of the Vineburg Wine Vaults in San Francisco, visited his wife and family Sunday.

Mrs. August Figone was the guest of friends and relatives in Santa Rosa on Wednesday and returned home the same day.

Fred Batto transacted business in San Francisco on Friday and Saturday of last week, and in Santa Rosa, Petaluma and Sonoma this week.

Our old friend Walter Poulson, the well known young butcher of El Verano, was a visitor at Vineburg Tuesday afternoon. Glad to see you, Walt.

Mrs. Chas. McDevitt and children were the guests of Mrs. Fred Batto and Miss Adle Andrieux, her sisters, on Wednesday last, at the residence of Fred Batto.

M. E. Cummings, Sonoma City's popular Mayor, was the guest of John Murray, Sunday, at latter's residence in Vineburg. Mayor Cummings was well pleased with his visit.

Henry Pape, Sonoma Valley's well known mixologist, now of the Palace Hotel, Sonoma, was a visitor at his Vineburg home Saturday and his many friends were glad to see him.

Since "Our Willie" departed for the Bay City from El Verano last Saturday morning and turned Vineburg down there is a pretty little blue-eyed girl that now sings sadly, "Take Back the Engagement Ring."

Mrs. Louis DeLew and family of San Francisco are spending their vacation at the Cottrell place on the Hyde tract. Mrs. DeLew is the wife of Louis DeLew, bookkeeper and cashier of the National Brewing Co. of San Francisco.

This part of the valley was thrown into gloom on last Friday afternoon when the handsome residence of Mr. and Mrs. Carl Dresel was consumed by fire. The mansion has for years been one of the prettiest sights to be seen near Vineburg and its loss will not be forgotten for some time to come.

Vineburg was well represented at the grand installation of officers of Sonoma Parlor, No. 111. Native Sons of the Golden West, at Union Hall, Sonoma, Saturday evening last. All speak highly of the programme, especially of the vocal solo rendered by F. Helberg and the duet by A. T. Jansen and Miss H. Weber. All were well pleased with the entertainment.

The Huichica school will open on Monday, August 5th. Mrs. C. Dependener has been selected as teacher. This lady holds a State certificate and has had over twenty years experience teaching school in California, and our Trustees showed good judgment in securing her services.

Quite a number of Vineburg's representive citizens assembled at the railroad station here Sunday evening. It looked like a county election or a Dutch target company's ball. Jim Small thought it a box car meeting and when he asked what the trouble was they replied "No Irish need apply." So Jim floated as the Dutch was in the majority.

Vineburg, July 25, 1912

Easy Jim:

I think society—that is, I mean the society we move in, which you know is very exclusive, is certainly going back. Now, at the last five o'clock tea that I had the pleasure of attending there was not a word said about any lady or gentleman in this vicinity. Strange, don't you think so?

I hear from Ethel that she is going to get a Newfoundland dog, a young one, and that the sweet thing will not eat anything but fruit cake and Kingan's bacon. What a classy dog. His name is Rags.

On Sunday I took in the northern part of the valley—that is, a portion of it, El Verano—and was very much pleased with the people I met. I went to the ball game and some one told me that the El Verano boys knew how to play ball. Well, I am not much of a fan, but I really think if it was not for the Sonoma nine, El Verano would have won out. Oh yes, Easy, Vineburg was represented, too, as I saw a number of pretty bonnets and bright eyes from our burg, and during my visit I had the pleasure of meeting Archie McKiver, the Sonoma Index-Tribune correspondent. I had quite a little chat with the gentleman, who reminds me very much of Bertram Lytle, who at one time was leading man of the Alcazar Theatre in Frisco. Archie has the same charming personality, the classical features and bright intellegence of the above named gentleman. But, oh, how sad! The best of friends must part, still we may meet again.

Well, I must close, as I have an engagement to go bathing in Sonoma creek this afternoon with Fannie and Josie. I must run over and get a loan of Ethel's bathing suit, for mine looks like the last rose of next summer. I hope no men will bother us. Good bye.

Yours
Helen Hunt.

The Mayor of Vineburg was so busy on Sunday training his animals for the Vineburg Wild West Show that he could not receive the Mayor of Sonoma. It happened this way. Just as the former going to meet the the latter the calf's rope got mixed up in his Honor's whiskers. Yes, the rope is alright, but the whiskers—Well, I guess.

Easy Jim.

THE FAREWELL RECEPTION AT "EL MIRADOR."

Leave-Taking of Capt. and Mrs. Boyes for San Diego Brings Together the Representative Citizenship of Sonoma Valley

Capt. and Mrs. H. E. Boyes, who are leaving the valley after a residence of 30 years to make their home in San Diego, were tendered a farewell by their many friends last Wednesday evening. "El Mirador," the beautiful bungalow in the foothills, with its spacious verandas and large drawing room, was crowded with Sonoma's most representitive citizens who came to say au revoir and to partake of once again the hospitality of this most esteemed couple. The evening was delightfully spent in music, dancing and feasting. The drawing room was adorned with American beauty roses and mountain foilage and "El Mirador," in its natural setting of beauty, laved in one of the summer's most beautiful moons, was a scene long to be remembered by the guests and treasured by the host and hostess.

Capt. and Mrs. Boyes received their friends, assisted by Mrs. Walter L. Murphy of Alameda and Miss Russell, while Mr. Carlow, the new owner of "El Mirador," was introduced about and made many friends on this occasion. Robt. Hill, in a well chosen speech, expressed the feeling of all the guests present when he said that the leave-taking of the Boyes' was a void never to be filled and that they, more than any two people in all the valley, had brought fame and succees through the mineral springs Dr. Wm. J. G. Dawson of the Sonoma State Home also made some fitting remarks. After music by the Pauli orchestra, some dances and vocal solos by Mrs. Emparan and Miss Ramona Grance. the guests were invited to witness a fire-extingushing demonstration on the hillside, which Mr. Carlow had arranged. It proved most thrilling and of great interest and was voted a decided success.

A buffet supper was served at 11 o'clock and a delicious repast partaken of While all were gathered in the drawing room, the following original toast was read by Mrs. Murphy :

Here's to the Captain and his goodly wife !
Here's to joy in their new home life !
Here's to happiness and content,
Every blessing that Heaven e'er sent !

And here's to the friends they leave behind,
What more precious can we find
Than friends like these to miss the clasp
Of a hand that's hearty that we long to grasp.

These hills will miss their familiar tread ;
The spring time blossom when it lifts its head
Will long for the kindly glance it knew,
For if flowers love, they must love these two !

And so must all of Nature's sown,
The hills, the streams—not we alone.
The springs, perchance, their crystal clear,
Will bubble forth a nymph's own tear.

And every driad and wood faun
Will know somehow that they are gone !
Yet here's to the hope it will be soon
That they will come back to the "Vale of the Moon,"
Lured by the call of conspiring charms,
Back to our hearts and back to our arms !

It was with genuine regret that adieus were said at midnight and the guests took their departure after besieging Capt. and Mrs. Boyes with good wishes.

The new home which is to be their's in San Diego is a highly improved piece of property of seven acres, commanding a view of the mountain ranges on the one side and San Diego harbor on the other.

Capt. and Mrs. Boyes have endeared themselves to every one during a residence of over thirty years here and will no doubt make many friends in their new home. They are descendants of England's most aristocratic families and San Diego will have in their coming a splendid addition to its social ranks.

Louis Parente has received a telegram from New York for a match for Al Palzer against his white hope, Charlie Miller. There might be a little hitch in the contract, but Mr. Parente thinks the match is already as good as made.

Mr and Mrs Lee Florence and baby motored from their Oakland home to El Verano last Sunday and spent the day with Mr. and Mrs. Tom Ryan.

Otto Spindler of San Francisco was in town Saturday. Otto is now in the real estate business in the metropolis, and is making good in his new position.

A special train from Vallejo passed through here Sunday morning with the Vallejo Eagles on board en route to Santa Rosa, where with the Santa Rosa Eagles, they held their annual picnic at Grace Bros. Park. It took two engines to pull the long special to the City of Roses.

Bert McCullough, one of the most prominent referees of the Pacific Coast, is a visitor here. Bert has refereed 48 fights and his decisions have all been perfect. He is looking around the valley for a summer home and will invest in the neighborhood of about $15,000. Mr. McCullough's name has been mentioned as one of the legitimate referees for the Johnson and Palzer fight, which will probably take place in New York on Labor Day.

Tonic—Alterative

What is a "tonic"? A medicine that increases the strength or the tone of the whole system. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Name the best tonic and alterative"? Ayer's Sarsaparilla, the only Sarsaparilla entirely free from alcohol. Ask your doctor about it.

Items Gleamed by our Live-Awake Reporter the Past Week

L. Herling was in town Sunday from the city and while here paid "Harry's Inn" a call.

Wm. Monahan is up from the city visiting his mother. He is a policeman in the metropolis and will remain here a few days.

There was no ball game here on Sunday as the Daly City team did not show up. Perhaps the Glen Ellen nine looked too strong for them.

The Glen Ellen base ball team will play a big game here Sunday with a crack nine from San Francisco and the locals will try and bring home "the bacon."

The Hotel Chauvet has changed hands, August Martens having sold out to H. B. Trusty, who will give an opening ball on Saturday evening, July 27th. The owner is a very popular young man of this burg and all wish him success in his new venture.

Chas. Poppe has made some big improvements in his store, having had it all electric wired, purchased up to date scales, cash registers and has also put in a general stock of lady and gents shoes, dry goods etc. He sure improves with age, like good Sonoma wine.

The Native Sons of our local parlor will give a grand ball at Chauvet Hall on Saturday evening, August 3d. The music will be furnished by the Pauli-Johnson orchestra of Sonoma while the floor committee will be composed of Messrs. J. M. Sobbe, W. C. Hardman and Chas. Lane.

The late Dr. C. C. O'Donnell's ranch here is filled with summer visitors. Most of the cottages are rented to San Francisco people who will remain here the rest of the summer. O. House, who is in charge of the O'Donnell estate, has a real estate office in town and says things are booming.

A pleasant time was spent by all who attended the musical and dance given by the members of St. Mary's Church last Saturday evening. Mr. Morris Levy gave the free use of his hotel dining room and also the hall. The programme was well rendered and afterwards dancing was enjoyed by the younger set until a late hour. Among some of the numbers on the program were a vocal solo by Mrs. O'Mearer, some good fancy dancing by four youngsters, and vocal selections by Mr. Kelly. Taking it all together, the affair was a big success.

Automobile Exhibit at the State Fair

The automobile industry is taking such an important part in the business of the California farmers that automobile exhibits at the State Fair are being looked upon by both the salesman and buyers as being one of the most important means of advertising to be had anywhere. The automobile show this year will probably be one of the largest demonstrations there ever was in the State and yet it will be only one department of the State Fair.

When the fair buildings were erected a few years ago there was no provision made for automobile exhibits, so consequently the showings heretofore made have been in tents erected on the grounds. This year the largest tent obtainable in California has been leased by the State Agricultural Society and will be somewhat larger than the main Pavilion itself. It has already been found that this tent will not hold all of the automobile exhibits that would to come in. One agency in Sacramento alone has made application for space to show 20 different styles of automobiles. Automobile accessories will have their space in the improvised automobile pavilion.
